

## Prevention:

### Acting Against Abuse

Safeguarding Learning Week 2025 is all about **prevention**.

We are delighted with the theme of this year's Learning Week as we have so much to share and celebrate in Sunderland. During the week we will be hosting training sessions and learning events on working with fathers, the role of education in safeguarding, five ways to wellbeing and key learning from Safeguarding Adult Reviews. We also have an opportunity to learn direct from a young person and will be offering another of the very popular sessions with SCAS (Sunderland Care and Support).

As always, we welcome you to not only engage with the timetable but to offer your own sessions or provide venues for the events, showcasing your team or agency.

Ensure you mark the date in your diaries, subscribe to the [SSCP website](#) for updates and register with our shared [learning platform](#) and don't miss out.

See you in November!
